Links in Broxted FP 7 Links in Debden FP 62,57, & 43 Makes up many circular walks in the area around Hamperden End.	All users will have access to the Byway all year round. This byway will be of great benefit to the walking community as it forms the back bone of many circular walks in the area.	ECC4	Local planing dump nearby but planings used by May Gurney. Iain Hurwood trying to resource more?		Local land owners and horse riders. TRF 1 NE&SW Bridleway Group 5 ACU 1
Debden 69	The wash	From Slough Farm in a south-easterly direction passing its junction with footpath 43 to Monks Farm, to join metalled county road.	896	2009/10	This byway has a footpath that connects directly to it. Although the byway has no immediate connection to other byways , it does form part of a much larger network of byways in the Debden area.	Improved access to other PRoW all year round. Used by local stables	ECC2		Some very soft areas in the byway and drainage issues that need to be addressed.	Support by local land owners as 4x4's are using his field when byway is impassable. TRF 2 NE&SW Bridleway Group 4 ACU 2
Debden 75	Green Croft Lane	From road north of Lovecotes Farm in a north-west and north direction to the parish boundary with Widdington. Continues in Widdington along Green Croft Lane to re-enter Debden parish to join Byw37	1958		All users will have improved access from Lovecotes Farm to Scotts Farm and on to Byw 37. Improved access to FP 49, 39 & 56.	All users will have improved access especially horse riders and walkers	ECC3	Storage of planings and access for trucks may be a problem.	Very wet in places will require work to be carried during dry weather. Very overgrown.	Supported by local horse riders and horse rider association. Ramblers 1 NE&SW Bridleway Group 3 ACU 3
Widdington 38 & Henham33	No Common Name	Widdington 38 From the road south-west of brickclamp Spring in a southerly direction to the parish boundary where it meets footpath 37, continues in henham Parish as CRF 33 to Little Henham Lodge. Henham 33 From the road at Mole Hall in an easterly direction to its junction with Byw 34, (Dual path with Debden byw 37)	1276 + 161 Total 1437	2008/9	Provides a direct link from Cornells Lane in the north (Widdington) to Henham. Improved access for FP's 14 & 37.	All users will have improved access especially 4x4 users which have limited access at present. Completes route started last year.	ECC8	Storage of planings and access for trucks may be a problem.	Some very narrow areas of byway to address & live badger sett in byway to negotiate. Vegetation may be a problem in places.	Supported by local walking groups and horse riders. NE&SW Bridleway Group 6

Radwinter 33	Steers Lane	From the road south-west of Godfrey's Farm in a southerly direction along Steers Lane to the road north east of Selland's Farm.	1196	2007/8	Provides a direct link from the B1054 to golden Lane. Improved links to FP 34, 35 & 31.	All users will have improved access to the PRoW all year round due to surface improvement.	ECC1	Planings to be stored at Radwinter Farm due to poor access.	Some Oak trees will need to be felled as obstructing byway width. Advice needed write to PC & drainage.	Supported by Parish Council and local horse riders association. NE&SW bridleway Group 7
Stebbing 15	No common Name	From the road east of Brick kiln Farm in a north-easterly direction to the road north of Stone's Farm.	2331	2007/8	Links the Village of Stebbing & Bardfield Sailing which a direct route. Forms part of a much larger network of byways and bridleways.	All users will have improved access to the PRoW all year round due to surface improvement creating a much larger formation of walks or rides in which to enjoy the Essex Countryside.	ECC5		Water logged and badly rutted in sections making late start date necessary.	Complaints received by local horse riders in the area. Will support improvement wk.
Chrishall 22	Common Lane	From entrance to upper Farm in a southerly direction to Roughway Wood at the parish boundary with Langley where it continues as Park Lane.	1584	2008/9	Provides a direct link between Park Lane & Building End Road Chrishall. Improved links to FP 21, 23, & 26.	All users will have improved access to the PRoW with an excellent circular walk for ramblers.	ECC7	Storage of planings and access for trucks may be a problem.	Poor access at both ends.	Supported by Parish Council.
Leaden Roding 17		From A1060 to High Easter Road	200?		Links to bridleway to form longer route and takes users off A1060.					TRF 3
Chrishall 3	Dark Lane & Parkhouse Lane	Eg. Dark Lane from its junction with The Street (GR 519241) eastwards to its junction with Parkhouse Lane (152m) and then Parkhouse Lane starting 70m from this junction eastwards for 190m (GR 520321)	1800	2008/9	Links to FP12 and Bridleway 15 via The Street to provide circular walk for village.	All users will have access to path all year round. P3 can use landowner for works.	ECC6	Will be a problem to locate planing in this part of the District. Expensive transport costs.	Clearance required. To be done to allow access so before April.	Parish Council & help from P3 group to carry out works.
Clavering 50	Chalk pit Lane/High field lane	From the County road south of the "Fox and Hounds" (PH) in a southerly and south-easterly direction along Chalk pit Lane thence southerly along High field Lane to the road north-east of Poor Bridge.	1745	2007/8	Provides improved access for FP 44 and BW 48.	Extensively used by walkers in the Clavering area. Will also benefit horse rider who find the heavy rutting caused by 4x4 dangerous.	ECC9	Wk will have to be carried out in dry summer months when access to fields are available	Farmer does not want the lane to be surfaced using planings.	Ramblers 2 JB 4 Frank Knowles Jackie Cooper
